LAW ENFORCEMENT FEATURES

- 1 Air-conditioned & Heated Cabin**
Climate controlled cabin provides for crew and patient comfort.
- 2 Shock Mitigating Seats**
Seating that reduces crew fatigue and protects crew in rough sea states.
- 3 Weapons Locker**
Provides easy access to and secure storage of firearms.
- 4 Dive Tank Storage**
Storage space designed to firmly secure dive tanks.
- 5 Radios**
Offers clear ship-to-shore, vessel-to-vessel communications as well as public address capabilities.
- 6 Electronics Package**
Multifunction monitors provide navigation, depth sounding, side scan imaging and systems monitoring.
- 7 Cameras**
Records live video for incident response reporting.
- 8 AC Generator**
Installed in a built-in compartment to provide AC power when away from shore power.
